

FOCAL[®] *INSIDE*

RENAULT RENAULT LATITUDE

ACOUSTIC 8.0

This solution involves upgrading your vehicle's front and rear speakers through the use of separate kits, each optimized for its specific position (front and rear). The improvement of the audio system is thus more targeted, for more precise, balanced and better quality sound reproduction for each area of the passenger compartment, without complex modifications.

KITS HAUT-PARLEURS

HPDOFRSE

IS RNS 165

2-way separate kit

HPDORESE
