

# FOCAL<sup>®</sup> INSIDE

## SEAT SEAT MII

### POWERED 4.2

This system includes separate front speakers, a subwoofer and an amplifier. The sound is ever more detailed thanks to optimized amplification which improves the overall quality of the system, particularly for bass and midrange.

Legal Information: • These Focal Inside products have been designed for specific vehicles. • They are compatible with other vehicles from the same manufacturer or automotive group. • However, Focal cannot guarantee full compatibility with these vehicles: adjustments may be necessary. • It is essential to verify the compatibility of our speaker kits with your vehicle's audio system before any purchase or installation. • Focal cannot be held responsible for any incompatibility or damage resulting from incorrect installation.

Brand Information • This system is not compatible if the vehicle is pre-equipped with the original Premium Hi-Fi option. • If your vehicle has tweeter locations in the rear, a separate 2-way kit can be installed. • Before choosing a configuration with an ISUB TWIN subwoofer, be sure to check the space required for its installation as well as the available space under your vehicle's seats.
