

# FOCAL<sup>®</sup> INSIDE

## MERCEDES MERCEDES E-CLASS 5

### ACTIVE 9.2

Thanks to this solution, the replacement of the front and rear speakers as well as the two subwoofers and the central channel provide rich and highly precise sound. These changes, accompanied by specially designed kits for each zone, create a detailed and immersive sound experience. You thus benefit from sound reproduction faithful to the sources, with an optimal balance between all frequencies.
